

Summer Tennis Program 2008

Dear Parents and Students,

This Summer I am going to offer my Summer Tennis Program at the Washburn Rural High School courts. As always, students can sign up for as many weekly sessions as they choose. Most sessions run Monday through Thursday, with Thursday set aside as game/contest day. I understand the difficulty parents encounter in taking and picking up their children in the summer, so we will supervise students who must come early or be picked up late. I just ask that you let us know when these circumstances arise. Please call me at home (235-8606) if you need questions answered.
