

Welcome back to Washburn Rural High School!

In August of 2000, a six member steering committee comprised of Washburn Rural graduates formally addressed the Auburn-Washburn school board. After having spent the previous year researching the possibility of forming an organization to unite Washburn Rural graduates, the Board of Education unanimously agreed to designate the Washburn Rural High School Alumni Association, Inc. as it's official alumni association.

We would like to take this opportunity to introduce and invite you to join the Washburn Rural High School Alumni Association. We have joined to together to be of service to the alumni and to support the high school. We sincerely hope you will consider joining your fellow alumni.

Some of Our Accomplishments Include:

- Establishing a "Hall of Fame" for distinguished alumni and faculty along with the student council students of WRHS.
- Supporting current high school organizations and students throughout the district.
- Maintaining and updating alumni records.
- Becoming a central contact for reunion organizers.

Our Ongoing & Future Objectives Include:

- Promoting an interest in WRHS.
- Reconnect graduates by bringing together past and present alumni.
- Raise funds from alumni memberships and private contributions to uphold the WRHS Alumni Association objectives.
- Recognize a graduating senior with an alumni scholarship.
- Preserve historical artifacts of interest to WRHS.

We certainly hope that you will take a moment and fill out the membership application. We would like to thank you now for your membership, without it we would find it difficult to achieve our goals.

Best regards,

Lori Welch, Class of 1981

President, WRHS Alumni Association

WRHS Membership Applica-

Name _____ Class of _____
First Middle Last Maiden
